AIRPORT OPERATIONS

There are currently no travel restrictions at the Austin-Bergstrom International Airport. Staff are currently cleaning airport facilities 7-days a week and adhering to all health and safety protocols such as usage of PPE.

DESTINATION DETAILS

Face coverings (over the nose and mouth) are encouraged when inside, or when in an outdoor public space when it's not feasible to maintain 6 feet of social distancing. Many businesses continue to require the use of face masks for staff and guests.
